~~Copy of~~ letter dated the 26th January 1931 from the Joint Vice President, Bangalore Society for the Prevention of Cruelty to Animals, to the President, Municipal Commission, Civil and Military Station, Bangalore.

I have the honour to forward a copy of a resolution passed at a meeting of this Society held on the 17th instant, requesting that the Municipal Commission will be pleased to make a monthly grant towards the funds of this Society.

The Society was re-constituted in the year 1916. Prior to that, the Commission had employed a staff to deal with the prevention of Cruelty to Animals, but when the Society was formed the Commission was relieved of this responsibility and saved the annual expenditure they had formerly incurred.

The Society derives its funds solely from voluntary contributions and from a moiety of the fines levied by the various Courts in Cases which are presented at the instance of the Society. Income from both sources has decreased steadily during recent years. In the latter case it may reasonably be assumed that the decrease is due to the influence which the work done has had in the Civil and Military Station.

As a result of the fall in its income, the Society last year (1930) actually spent Rs.491-4-1 more than its income, the deficit in the previous year having been Rs.89-1-9.

As the work done is definitely public work, and must meet with the approval of the general public, the Society feels that a contribution from the Commission would be legitimate charge on the public funds.

I, therefore, trust that the Commission will view this request in a favourable light. I enclose copies* of the Reports of the Society for the past four years.

7. Resolved that the Municipality, Civil and Military Station, Bangalore, be requested to make a monthly grant of Rs.100/- to this Branch of the S. P. C. A., as the Society is entirely dependant on voluntary subscriptions, which is found not sufficient to defray the working expenses.

Please see the Hon'ble the Resident's Proceedings No.6309, dated 15-8-1919 as modified by proceedings No.5933, dated 21-7-1922 regarding the credit of fines levied under the S.P.C.A. Act. In conformity with the above orders only one half of the fines realised in cases prosecuted under the Act is now ~~been~~ credited to Government, the other half being credited to the Society direct.

The fines realised under the Act by the Magistrates are Government Departmental receipts. The Audit Officer points out that unless there are orders of the Governor General in Council under Treasury Order No.7 permitting a relaxation of the rule in Article 1 of the Civil Account Code Volume I, the existing practice should be discontinued and the entire fines credited to Government in the first instance half of which may be periodically refunded to the S.P.C.A.

If no such orders exist, it may kindly be considered whether the existing practice may not be discontinued and orders similar to those issued in Para 2 of the Resident's proceedings No.4245, dated 11-5-1929, regarding the fees levied for Police attendance at entertainments, etc., may not be passed.
